LOCATION

Bathgate is a popular commuter town in West Lothian situated approximately 15 miles east of Edinburgh with a local population of around 21,000 people.

It benefits from close proximity to junction 3A and 4 of the M8 – Scotland's principal motorway connecting Edinburgh and Glasgow. Half hourly rail services connect the town to Edinburgh Haymarket and Waverley Station with regular train services to Glasgow in addition.

The subjects are situated in the centre of Bathgate on North Bridge Street close to its corner with Mansefield Street. Mansefield Street car park is located nearby.

The area is commercial with nearby occupiers including Sneddon Morrison, Domino's, Home Stop and SEED financial planning.

DESCRIPTION

The subjects comprise extensively refurbished office accommodation arranged over ground floor of a two storey and attic building contained beneath a pitched and tiled roof.

The property provides an open plan office with a separate kitchen, two stores and a corner facing private office/meeting room. WC facilities are contained to the rear.

The two large window openings provide great frontage onto North Bridge Street and therefore may suit a retail type use, subject to securing the necessary planning consent.

The specification includes LED lighting set within a suspended ceiling, skirting level data trunking and carpet floor coverings.
